### Subpart A—Policies Applying to All Business Loans

#### ELIGIBILITY REQUIREMENTS

#### § 120.100 What are the basic eligibility requirements for all applicants for SBA business loans?

To be eligible for an SBA business loan, a small business applicant must:

- (a) Be an operating business (except for loans to Eligible Passive Companies);
- (b) Be organized for profit;
- (c) Be located in the United States;
- (d) Be small under the size requirements of part 121 of this chapter (including affiliates). See subpart H of this part for the size standards of part 121 of this chapter which apply only to 504 loans; and
- (e) Be able to demonstrate a need for the desired credit.

#### § 120.101 Credit not available elsewhere.

SBA provides business loan assistance only to applicants for whom the desired credit is not otherwise available on reasonable terms from non-Federal sources. SBA requires the Lender or CDC to certify or otherwise show that the desired credit is unavailable to the applicant on reasonable terms and conditions from non-Federal sources without SBA assistance, taking into consideration the prevailing rates and terms in the community in or near where the applicant conducts business, for similar purposes and periods of time. Submission of an application to SBA by a Lender or CDC constitutes certification by the Lender or CDC that it has examined the availability of credit to the applicant, has based its certification upon that exam-

ination, and has substantiation in its file to support the certification.

#### § 120.102 Funds not available from alternative sources, including personal resources of principals.

(a) An applicant for a business loan must show that the desired funds are not available from the personal resources of any owner of 20 percent or more of the equity of the applicant. SBA will require the use of personal resources from any such owner as an injection to reduce the SBA funded portion of the total financing package (*i.e.*, any SBA loans and any other financing, including loans from any other source) when that owner's liquid assets exceed the amounts specified in paragraphs (a) (1) through (3) of this section. When the total financing package:

- (1) Is \$250,000 or less, each 20 percent owner of the applicant must inject any personal liquid assets which are in excess of two times the total financing package or \$100,000, whichever is greater;
- (2) Is between \$250,001 and \$500,000, each 20 percent owner of the applicant must inject any personal liquid assets which are in excess of one and one-half times the total financing package or \$500,000, whichever is greater;
- (3) Exceeds \$500,000, each 20 percent owner of the applicant must inject any personal liquid assets which are in excess of one times the total financing package or \$750,000, whichever is greater.

(b) Any liquid assets in excess of the applicable amount set forth in paragraph (a) of this section must be used to reduce the SBA portion of the total financing package. These funds must be injected prior to the disbursement of the proceeds of any SBA financing.

(c) For purposes of this section, liquid assets means cash or cash equivalent, including savings accounts, CDs, stocks, bonds, or other similar assets. Equity in real estate holdings and other fixed assets are not to be considered liquid assets.

#### § 120.103 Are farm enterprises eligible?

Federal financial assistance to agricultural enterprises is generally made by the United States Department of

## Small Business Administration

## § 120.110

Agriculture (USDA), but may be made by SBA under the terms of a Memorandum of Understanding between SBA and USDA. Farm-related businesses which are not agricultural enterprises are eligible businesses under SBA's business loan programs.

### § 120.104 Are businesses financed by SBICs eligible?

SBA may make or guarantee loans to a business financed by an SBIC if SBA's collateral position will be superior to that of the SBIC. SBA may also make or guarantee a loan to an otherwise eligible small business which temporarily is owned or controlled by an SBIC under the regulations in part 107 of this chapter. SBA neither guarantees SBIC loans nor makes loans jointly with SBICs.

### § 120.105 Special consideration for veterans.

SBA will give special consideration to a small business owned by a veteran or, if the veteran chooses not to apply, to a business owned or controlled by one of the veteran's dependents. If the veteran is deceased or permanently disabled, SBA will give special consideration to one survivor or dependent. SBA will process the application of a business owned or controlled by a veteran or dependent promptly, resolve close questions in the applicant's favor, and pay particular attention to maximum loan maturity. For SBA loans, a veteran is a person honorably discharged from active military service.
